Create and Assign a Cart Quick Reference Guide

Create and Assign a Cart Overview

This Quick Reference Guide (QRG) is designed to walk an **Employee as Self** through the process of assigning a procurement cart in Workday to another worker. By the end of this QRG, you will be able to successfully assign a cart to the relevant worker after adding the required items for UVA from the UVA Marketplace integrated in Workday.

Procedure

On the Workday Home screen:

- 1. Type **Connect to Supplier Website** in the search field.
- 2. Select **Connect to Supplier Website** from the Search Results.

On the Connect to Supplier Website screen:

3. Since you will be assigning your cart to another worker to complete, they will need to fill out the appropriate information once they enter the UVA Marketplace to complete your cart, so select **OK** to proceed.

On the Connect to Supplier Website screen:

4. Select Connect to navigate to the UVA Marketplace.

- 7. Type any comments or notes you have for the assignee in the **Note to Assignee** field. While this is not a required field, it is <u>very important</u> that you provide the assignee with any necessary information to help them to properly process your requested cart. The Note to Assignee field is limited to 1000 characters.
- 8. Select Assign.
