UVAFinance

Overview

Mac users who use Safari might have trouble completing e-Learning courses. Updating your auto-play settings can help. If you complete the following steps and still don't hear audio, please try viewing the course in Firefox.

Procedure

Step	Action
1.	Click Preferences
2.	Select the Websites Tab
3.	Click the Auto-play menu item
4.	Change myworkday.com to Allow Auto-play
