

Overview

Follow the steps below to find a webinar link associated with a class (offering) in Workday Learning.

Note: This is only true for classes that are set up as Webinars in Workday Learning. If the course is not setup as a Webinar, the link will come from your instructor.

Procedure

Step	Action
1.	Select the Learning Worklet. 
2.	Select My Transcript in the View menu. 
3.	Select the class you are looking for in the <i>Not Started</i> section.
4.	Select the Start Course button on the right side of the screen. 
5.	Select Copy Link .
6.	Paste into a browser address bar. Note: You will also need to copy and paste the Pass Code listed below if you are not signed into your UVA Zoom account.

Note: You can also select the Add to Calendar button that provides all the relevant details.
