## Term

The term of this Agreement will be for two years effective upon execution of this Agreement, with the ability to renew on the same or similar terms and conditions for four (4) additional two-year periods. The Hotel and the University will mutually agree at least 180 days before each renewal option on whether to renew the terms of this Agreement.

## Witness

*The Purchasing Manual for Institutions of Higher Education and their Vendors* (the "Manual") specifies those policies which govern the purchasing processes at specifically designated publicly funded colleges and universities who are eligible to be or are governed by *Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act, § 23-38.88 et seq. of the Code of Virginia and Chapters 824 and 829, Acts of Assembly, 2008*. Section 7 of the Manual details the exceptions to competitive requirements. The University, acting in full compliance with the Manual, engaged in negotiation to establish multiple lodging and conference facility (the "goods and Services") Agreements with local Charlottesville, Virginia vendors. The University and the Hotel wish to express in this Agreement the specific basis on which the Hotel will provide the Goods and Services to the University.

Accordingly, and in consideration of the mutual premises and provisions hereof, the parties hereby agree as follows:

1. Contents

These documents are hereby incorporated into this Agreement:

- A. Agreement Attachment 1, Contractual Provisions;
- B. Agreement Attachment 2, Procedure for Resolution of Contractual Claims

To the extent that the terms of the various Agreement documents conflict, the terms of this Agreement, Agreement Attachment 1, and Agreement Attachment 2 will prevail over all other Agreement documentation.

2. The services provided by the Hotel will include, but not be limited to, the following:

A. General Lodging Services

- 1. The Property must be in the Charlottesville/Albemarle vicinity
- 2. Accept cancellations for room reservations until 4 p.m. on the day of arrival for no charge for all reservations involving nine or fewer rooms. If reservations are not canceled by 4 p.m., a "no show" charge may be applied for the first night's room and tax.
- 3. Accept reservations associated with any cooperative contracted pricing for which the University may qualify (for example: General Services Administration ("GSA"), Educational and Institutional Cooperative Purchasing ("E&I"), US Communities, etc.)
- 4. Provide internet access and parking for University booked business.
- 5. The Property must provide shuttle service to University of Virginia Grounds if the Property is more than one mile from Central Grounds or the Medical Center.

B. Standard Hotel Rating

- 1. The Property must be rated a 3 Diamond AAA property or higher at the time of contract signing and must maintain this rating throughout the Agreement term.

C. Conference Services will include:

- 1. Allow for University departments to use a Virginia Higher Education Procurement Consortium (VHEPC) Audio Visual ("AV") vendor of their choosing. For a list of the VHEPC contract vendors for AV services, go to: <https://vhepc.cobblestone.software/public/default.aspx>
- 2. Maintain compliance with all local, state, and/or federal food sanitation and health requirements.

Also, obtain all local permits or licenses required to conduct a catering/food operation business.

D. Customer Service will include:

1. Return phone calls and e-mails from the University within three business hours
2. Provide phone support hours (seven days a week between the hours of 7:30 a.m. and 7:00 p.m. Eastern Time)
3. Provide an account manager specifically assigned to manage the University's account. This individual will be the primary contact for all University issues beyond those typically handled by the front reservation desk. Such as, but not limited to: quality issues, payment and billing questions, and large group/conference reservation requests.
4. Notify reserving University departments, individuals, and the University Contract Administration ("UCA"), identified in section 8.A, of any expected, unexpected, planned, or unplanned changes or occurrences to the Hotel's facilities or immediate surrounding areas which may impact reservations negatively. These include construction, flooding, pest control issues, or the closure of onsite recreational amenities or restaurants for whatever reason.
5. Provide, when required by the Hotel, the University Departments with a simple University Approved Order Confirmation Document for the Hotel ("OCD") to sign (see Attachment 3). During the term of this Agreement, the Hotel agrees not to present or request for signature any other contract, Agreement, direct bill application, and/or an OCD different than the University approved OCD shown in Attachment 3. The OCD form should only be used for a group (10 or more people) and/or conference services reservations, not individual or small group reservations (9 or fewer people).

E. Technology will:

1. Allow the University to make lodging reservations via a third-party booking tool that operates using information pulled from the Global Distribution System ("GDS"). This will ensure that the GDS tool functions correctly; with up-to-date, accurate reservation information, the Hotel will ensure all availability is in the GDS with live content and pricing.

3. Fees

A. Federal and State per diem rates

1. The Hotel will extend Federal and State per diem rates for lodging and catering/conference services with the following restrictions:
  - a. Individuals must present a personal-issued federal / state identification upon check-in. For additional clarification, the University of Virginia Faculty / Staff identification cards will be recognized as acceptable state identification.
  - b. These rates do not have last room availability.

B. Lodging Rates

1. 20% off Best Available Rate ("BAR"). BAR rates can be seen on the Hotel's website and made available until the last room is sold.
2. There are no blackout dates for the University rates
3. At the time of booking, the Hotel will do a price analysis. If 20% off the BAR being offered on the day of check-in is lower than the room rate booked at the time of reservation, the Hotel will charge the University the lower rate of the two. If the Hotel offers a room at a lower rate, the Hotel will complete the reservation at this lower rate. The Hotel guarantees that the 20% University discount is the highest discount being offered and equates to the lower room rate. This will be known as the "UVA Lowest Rate Guarantee."
4. Group Lodging (defined as groups of 10 rooms or more) will be negotiated per reservation, but the University will receive at least the 20% off BAR.

C. Taxes on long-term transient lodging

1. Per Virginia Taxation Statutes, when a transient has occupied a room for 90 days or more, the dealer who furnished the room or other accommodations can refund any sales tax collected and then deduct from gross sales on their return the amount of charges for which they refunded the tax. For blocks of rooms rented under rental contracts, the exemption applies to the least number of rooms rented on a given day during a continuous 90-day period; each day is the start of a new 90-day period for purposes of this calculation. Additionally, meals included in a stay as part of a package are taxable and must be separately stated from room or accommodations charges to maintain the room exemption. If the charges

are lumped into a single charge, the entire transaction will be subject to tax. Va. Dept. of Tax., [Ruling of the Tax Comr. No. 20-177](#) (Oct. 6, 2020).
